

Premium USB-C 3.1 Cable Gen2 20Gpbs Audio Video 4K/60HZ

CT-C160-PU31-CMCM1-S1

Features

- Premium USB-C 3.1 cable USB C M to CM , Gen2 Super Speed 20Gpbs, 20V5A charging with E-mark IC ad Support Audio.Video 4K/60HZ , Coaxial Cable type
- Supper Speed of 20Gbps Data Transfer: Supports SuperSpeed data transmission (send or receive an HD movie in as little as 2.5 seconds).
- Utilizes E-mark chipset to safely Deliver up 100W 5-20V-5A of power.
- Audio and 4K video signal.
- Reliable & Lux Design- Braided nylon cable for extra durability protection,yanking, pulling ,stretching. Premium aluminium alloy casing for better heat insulation. Fits snugly with the USB-C ports on your devices for stable signal transfer.
- Play & plug Build-in Chipset and Support play and plug for andriod and ios system and Support charging and Data for Cellephone, Laptop and Computer and tablet.
- Gold plated with Alumnnium Housing for premuim match with your phone ,Mac book and laptop and Lux appreance Design.
- Widely compatible for type c port devices and Thunderbolt 3 port devices This USB C to C cable can fast charge your Google Pixel 2/3/XL, iPad Pro 2018, MacBook 2016/2017, MacBook Air 2018, MacBook Pro 2016/2017 13", Nexus 6P/5X and Nintendo Switch with the original charger.
- When charging Nintendo Switch Dock, it is suggested to work with power adapter(45W and above) to achieve best performance.
- It just supports to charge for ipad pro 11 2018 ,but it doesn't support to transfer video for ipad pro 11 2018,hope you can understand!

Packaging

Cabletime Item	Unit			Outer Box		
	Packing Size S/M/L	Product Weighth(g)	Packing Weigth(g)	Number of Boxes	Box Size LxWxH	Carton Weighth,kgs
CT-C160-PU31-CMCM1-S1	S	46	50	60	415x370x150mm	5.8

Packing Includes

- 1* Cable
- 1* Prouduct Manuel
- 1* PE bag

Specifications

- Connector1: USB C Male.
- Connector2: USB C Male.
- Wire : USB3.1 Coaxial Cable 36+34+26AWG with TC Braiding
- Jacket : Black TPE with Nylon Jacket ,Black ,OD3.7mm
- Warranty : 1 year
- Certificate : CE/RoHS
